Dear Mrs. Cole,

I want to thank you once again for your assistance in procuring Miss Haglund as a speaker for our station. The college greeted the news with great enthusiasm, demanding that we make her ^{visit} ~~appear~~ a college-wide affair. ~~This response certainly~~ ^{This response certainly} ~~completely unexpected~~ indicates a sincere interest in Miss Haglund's offering, ^{and at the same time} ~~at the same time~~, to express our genuine appreciation of your services.

Sincerely Yours,

M.
